2008 Bump to Pass Rules

1- Any North American made passenger car, station wagon, El Camino or Ranchero is eligible, minimum 103" wheelbase (**to include 1970 and above years Lincolns and 1977 and newer Imperials**)

2- All cars must either run door bars or be fully caged.

-Door bar cars: Driver's side door bar and passenger door bar is MANDATORY. The side door bars must be a minimum 5 foot long maximum wheel well to wheel well. They must be a minimum 6" wide.

-All cars must have a cross brace and upright post mounted securely behind the driver, 2" water pipe or equal. -A minimum 6" X 8" square padded headrest securely installed is required on all cars. No extra head rest needed on high back bucket or racing approved seats as long as the upright is within a couple of inches of back of the seat and their head (helmet) hits the headrest on back of the seat. You can use stock headrests. Padded pipe/upright posts are not acceptable.

-Front hoops in front of the radiator are legal (optional)

- Bumper straps are optional.

3- Engine: Maximum 1 – 4 barrel carburetor

-Any 8 ply maximum tire on 8" maximum wheels allowed

4- No stock gasoline gas tanks, either metal enclosed fuel cells or boat/Jerry cans. Gas tanks must be completely shielded from the driver

-Maximum 2 – 12 volt batteries, either securely fastened under the hood in stock location or inside the car in a securely fastened metal box

5- No anti-freeze allowed, water only

6- 4 point racing seat belts minimum, with 3" wide lap belts and 2" wide shoulder harness. Belts must be in good condition, no fraying, cuts, or damage

7- Inside dumping only. Must make contact to pass. No brake checks. No passing on Front Stretch.

8- No driving on rim without tire

9- General rules for WVSO apply

10- NO Minors may participate in Bump to Pass, 18yo + only.
